

## Revoke Accreditation and/or Approval Application Form

- This form is used by Accredited entities and/or entities who are approved to participate in the AGDIS to revoke their accreditation/approval to participate.
- Through this form entities can seek to revoke their accreditation or approval for all services type(s) or one or more service types that they are accredited/ approved to provide e.g. an accredited service type such as an accredited attribute service provider.
- When applying to have accreditation/approval revoked, an entity may provide a timeline for when the revocation should apply but the date of revocation will ultimately be the decision of the Digital ID Regulator.
- If the entity applies to revoke their accreditation, the Regulator must revoke their approval to participate in the AGDIS.
- Please be aware that the system is only classified to hold information at official sensitive level and this should be considered when entering information into the application.
- Refer to the ACCC's [Privacy Policy](#) which sets out what we will do with your information when you submit an application.

What service type or types are you applying to revoke accreditation/approval for?

What is the reason that you are applying to revoke accreditation/approval?

When are you seeking the revocation to take effect?

Provide attestation from accountable executive supporting this application
