

Suspend Accreditation and/or Approval Application form

- This form is used by Accredited entities and/or entities who are approved to participate in the AGDIS to suspend their accreditation and/or approval to participate.
- Entities can seek to suspend a specific service type (service role), or all service types that they are accredited/approved to provide.
- Suspension can be for a time limited period, or it can be open ended.
- Applying to have a service suspended does not automatically guarantee that it will be granted by the Digital ID Regulator. When considering the application, the Digital ID Regulator will have regard to the impact that suspending the service will have on the Digital ID ecosystem.
- Please be aware that the system is only classified to hold information at official sensitive level and this should be considered when entering information into the application.
- Refer to the ACCC's [Privacy Policy](#) which sets out what we will do with your information when you submit an application.

What service type or types are you applying to suspend accreditation/approval for?

What is the reason that you are applying to suspend accreditation/approval?

Details for the suspension

a. When are you seeking the suspension to take effect?
